MEMORANDUM FOR: Director of Finance

SUBJECT : [REDACTED]

25X1A9a

1. In September 1973, [REDACTED] began a tour of duty in OJCS to assist in the development of a Cost Accounting System. This system is part of an OJCS objective to implement a Charge-Back System for the use of OJCS resources.

2. During six months with OJCS, [REDACTED] helped to develop the methodology of four phases of the Cost Accounting System and prepared the groundwork for the design of two of the proposed phases. Much of this will be the basis on which the Cost Accounting System will be built.

3. Because certain OJCS priorities have changed during this period, work on several projects had to be delayed. When it became clear that we would be unable to keep [REDACTED] challenged and productive, he returned to the Office of Finance.

4. I would like you to know that we are grateful for Mr. [REDACTED] efforts. His dedication to the accounting task is greatly appreciated, and his contributions will make the next phase of development a lot easier. He was very cooperative in working with OJCS personnel, which is appreciated. Please also extend my thanks to him for his accomplishments during his short tenure with OJCS.
